## WORK EXPERIENCE

#### **Surge Business Development**

September 2021-February 2022

Anticipated Graduation: May 2024

- Worked as a Business and Technology Intern.
- Appointed as the team manager and project manager and got an opportunity to enhance my leadership skills.
- Accountable for all aspects of people management including regular focused training, coaching, performance
  appraisals, personal development, performance management, and mentoring to enable the team to meet
  challenges and meet team objectives.
- Established an interactive and dynamic website that guarantees high traffic, page views, and maximum user experience.
- Through this internship, I got professional exposure, and it also prepared me to communicate with clients.
- My team and I got to know about all the different projects and worked together to come up with websites, applications, business ideas, and so on.

#### **V&U Intellect Consultants**

May 2019-August 2019

May 2020-August 2020

May 2021-August 2021

May 2023-August 2023

- Worked as a Business and Technology Intern.
- Utilized multiple forms of communication to expedite filings, reports, spreadsheets, agendas, departmental special events, and special projects as assigned.
- Main task includes creating webpage layouts, writing code, editing website content, and making adjustments based on client feedback.
- During this internship, I was given the task of assisting the Directing Manager of the company to produce documents, briefing papers, reports, and presentations.
- Through this internship, I was able to improve my leadership, teamwork, and problem-solving skills.
- Interacted with clients regarding business requirements and information technology needs.

- Working as a Part-Time Retail Dining Fast Food Worker.
- Working in this company has helped me develop some important skills like teamwork, communication skills, etc.
- Maintaining high standards of customer service during high-volume, fast-paced operations.
- Cross-trained and coordinated scheduling with team members to ensure seamless service.
